EDUCATION

- 2013 Ph.D. in Geography and Environmental Science and Policy, College of Arts and Sciences, University of South Florida, Tampa, FL [Dissertation title Connecting Pixels to People: Management Agents and Social-ecological Drivers of Changes to Street Tree Distributions.]
- 2005 M.S. in Management Information Systems, College of Business Administration, University of South Florida, Tampa, FL [Areas of concentration Design and management of information systems and spatially enabled databases and data warehouses].
- 1996 M.S. in Botany, University of South Florida, Tampa, FL [Thesis Title The Importance of Seed Availability and Microsite Factors Relating to the Distribution of Vascular Epiphytes in West Central Florida.]
- 1992 B.S. in Plant Biology, University of New Hampshire, Durham, New Hampshire.

PROFESSIONAL EXPERIENCE

- 2014 – present Professor, School of Geosciences and Director, USF Water Institute, University of South Florida, Tampa, FL.
- 2003 - 2014 Program Director, Florida Center for Community Design and Research, University of South Florida, Tampa, FL.
- 2011 - 2014 Research Associate Professor, Florida Center for Community Design and Research, University of South Florida, Tampa, FL.
- 1998 - 2011 Associate in Research Faculty, Florida Center for Community Design and Research, University of South Florida, Tampa, FL.
- 2000 - present Professional Consultant: Information Technologies. Sole Proprietorship. Tampa, FL.
- 1996 – 1998 Computer Systems Administrator, School of Architecture and Community Design, University of South Florida, Tampa, FL.
- 1995 – 1997 Research Assistant, Florida Center for Community Design and Research, University of South Florida, Tampa, FL.
- 1995 – 1997 Research Assistant, Institute for System Botany, University of South Florida, Tampa, FL.
- 1994 – 1997 Consulting Botanist, Florida Natural Areas Inventory, Tallahassee, Florida.
- 1994 – 1995 Consulting Environmental Scientist, Environmental Lands Acquisition and Protection Program, Hillsborough County Parks and Recreation Department, Tampa, FL.
- 1991 – 1994 University Recycling Coordinator, University of New Hampshire, Durham, New Hampshire.

RESEARCH I

on my academic background in geography, plant ecology, spatial sciences and information technology, and I use the project management and grant writing skills I have gained over the past fifteen years as director of an applied research center and faculty researcher.
