University of South Florida Direct Support Organizations and Component Units July 1, 2024

A **Direct Support Organization (DSO)** is a separate, not-for-profit corporation organized and operated exclusively to assist the University to achieve excellence by providing supplemental resources from private gifts and bequests, and valuable educational support services.

These organizations are authorized by Florida Statute to receive, hold, invest and administer property and to make expenditures to or for the benefit of the University. An independent certified public accountant conducts an annual audit of each organization's financial statements and the annual audit report is submitted to the Board of Trustees, the Board of Governor's Office and the Auditor General.

A **Component Unit (CU)** is an entity for which the Primary Government is financially accountable or any organization for which the nature and significance of their relationship with the primary government is such that exclusion would cause the primary government's financial statements to be misleading or incomplete.

Information on each USF DSO and CU is provided below.
