

THE UNIVERSITY OF SOUTH FLORIDA¹
Tampa, Florida

Overview

The University of South Florida (“University” or “USF”), established in 1956 and located in Tampa Bay on Florida’s west coast, is a high-impact, global research university dedicated to student success. USF is comprised of three campuses located in Tampa, St. Petersburg and Sarasota-Manatee. Together, these campuses serve more than 50,000 students and offer undergraduate, graduate and doctoral degrees. The University has an annual budget of \$1.8 billion and an annual economic impact of \$4.4 billion. USF ranks in the top 25 nationally for research expenditures among public universities, according to the National Science Foundation. In 2018, the Florida Board of Governors designated USF as a Preeminent State Research University, placing USF in the most elite category among the state’s 12 public universities. USF currently maintains Aa2 and AA issuer credit ratings with Moody’s Investors Service and Standard and Poor’s, respectively.

USF offers 244 degree programs at the undergraduate, graduate, specialty and doctoral levels, including the doctor of medicine. During the 2019-2020 academic year, USF awarded 10,303 bachelor’s degrees, 3,399 master’s degrees and 787 specialty and doctoral degrees. In its 64-year history, USF has awarded more than 400,000 degrees and more than 100,000 alumni live in the Tampa Bay area. The University’s main Tampa location is home to USF Health, including the Colleges of Medicine, Nursing, Public Health and Pharmacy.

USF is a member of the American Athletic Conference, with 19 men’s and women’s varsity teams competing at the NCAA-level. New facilities for practice and competition, along with a completely renovated USF Sun Dome, put the university’s athletic facilities on par with virtually every top program in the country.

Budgetary Process

The University of South Florida Board of Trustees is required to prepare and submit to the Florida Board of Governors for review an annual operating budget which represents the University's plan for utilizing the resources available through direct or continuing appropriation by the Legislature, student fees, and other local sources. The operating budget is prepared and submitted in accordance with the provisions of State Law, rules of the Florida Board of Governors, and the General Appropriations Act. Any new State resources are allocated to the University according to the priorities set by the president, as are any University-wide reductions. The University's operating budget is comprised of the following budget entities:

Educational and General. The University receives an allocation of educational and general resources from the Legislature for E&G operating activities only, including general instruction, research, public service, plant operations and

Appropriated Budget Entities. Educational & General is comprised of General Revenue, Student Fees and Other Fees (Tuition), the Educational Enhancement Trust Fund (Lottery) and the Federal Grants Trust Fund (Stimulus). General Revenue is primarily funded from sales, corporate income and beverage taxes. Lottery ticket sales provide funds for the Educational Enhancement Trust Fund. The Student Fee Trust Fund revenue is derived from student matriculation and out-of-state fees, and other miscellaneous revenues that include library fines, application fees, late registration fees and a portion of the indirect cost assessed to contract and grant activity. The following tables show the University's appropriations of Education & General by each source for the past five fiscal years.
