Management - Hire, supervise graduate level and staff assistants on the HIPPY Research and Evaluation team.

Lead evaluator - Conduct statewide research and evaluation of HIPPY program in 22 sites across Florida; coordinate data collection from sites, enter, clean and analyze program data and provide sites technical reports on program data (including student and parent involvement reports) to improve program implementation; conduct orientation and professional development trainings for all HIPPY coordinators and home visitors; provide general technical assistance on HIPPY research, evaluation, and data collection to all Florida HIPPY programs;

Dissemination - Disseminate research and evaluation findings of the Florida HIPPY programs at the state, national and international level through presentations at Florida program sites in Florida, national HIPPY conferences, national early childhood conferences, and at international meetings. Disseminate HIPPY program findings in chief research journals and international child research journals.
