

ECH 6105 Worksheet for MastM

OR ECH 6107	Advanced Thermodynamic OR Molecular Thermodynamics	3
ECH 6285 OR BME 6634	Advanced Transport Phenomena OR Biotransport Phenomena	3
ECH 6515 OR ECH 6506	Reacting System OR Chemical Engineering Kinetics	3
ECH 6840 OR ECH 6412	Mathematical Methods for Chemical Engineering OR Process Analysis and Modeling	30

ECH Electives 5000/6000 Level

18

16 hours at

May include a maximum of 6 hours

At least 2 members of the Biomedical Engineering seminar based on the schedule after the Coordinator should

Students in this program (Examination) offered one publication in a Thesis research) may
