## Part B - Instructional Activity

## 12-month Instructional Activity July 1, 2012 - June 30, 2013

## **Instructional Activity Reporting Reminder:**

- •Instructional activity is used to calculate an IPEDS FTE based on the institution's reported calendar system.
- Graduate credit hour activity should not include any <u>doctor's-professional practice</u> activity, the total of those students' FTE is entered separately instead.

## FTE Reporting Reminder:

•Institutions need not report their own calculations of undergraduate or graduate FTE unless IPEDS FTE <u>calculations</u> would be misleading for comparison purposes among all IPEDS reporting institutions.

would be misleading for compar	ison purposes among all IPI	EDS reporting institutions.
