•In the columns below, report the status of the bachelor's degree-seeking subcohort of students reported in Column 10.

•Those undergraduate students who attained OTHER THAN A BACHELOR'S DEGREE within 150% of normal time as of August 31, 2013 should be reported in either Column 11 or 12, depending on the length of the program.

•Those who attained a bachelor's degree or equivalent within 150% or normal time should be reported in Column 18.

Subcohort of full-time, first-time students seeking a bachelor's or equivalent degree

Institution: University of South Florida-St Petersburg (448840) User ID: P4488401 GYWh]cb == !; fUXi Uh]cb F UhY ! HfUbqZYfq#YI Wi q]cbq •In the columns below, report the status of the BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Column 10, who did not complete a program as of 150% of normal time to completion. Report transfers-out who did not complete a program in Column 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in Column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish. •Report exclusions from the cohort in Column 45. The ONLY allowable categories for this column are: students who died or became permanently disabled students who left school to serve in the armed forces (or have been called up to active duty) students who left school to serve with a foreign aid service of the Federal Government students who left school to serve on an official church mission •Column 52 [No longer enrolled] will be calculated for you. This includes students who have dropped out or who completed in greater than 150% of normal time. •If you do not have any values to enter in either Columns 30, 45, or 51, you must enter at least one zero in a field on this screen
