

MEMBERMAN POLITICAL SOLUTIONS

This curriculum plan is for students in the Fuse program entering their first semester of college at a Florida College System (FCS) institute. Fuse students entering during a different academic year must follow the Fuse curriculum plan for that year.

Students must meet multiple requirements, including prerequisite courses and a minimum grade average in specified major-related courses, for admittance to the Computer Engineering major at USF. Currently,

Connect regularly with your advisors to ensure you understand and are meeting all requirements.

CHM 2045 or CHS 2440	3
CHM 2045L or CHS 2440L	1
General Elective	<u>3</u>
Total	14

COP 2510 Programming Concepts ^{1*}	<u>3</u>
Total	14

In addition to completing the requirements of the AA program, the following courses (or pre-approved substitutes) specific to the Computer Engineering program must be completed for admission into the Computer Engineering major at USF.
